FLOWERS OVER THE INFERNO

Thriller, Crime / S1: 6x50' & S2: 6x50' / 2023-

Criminologist Teresa Battaglia leads a team in the investigations of **unsolved crimes** in the darkest corners of the Friulian Alps, while dealing with the **first signs of Alzheimer's disease**. Massimo Marini joins the team, fleeing his own past. Teresa must face relentless criminals and **her own inner demons** to solve the cases.

In the new season, a young female cop is found dead after investigating about her father, accused of murdering his lover Hanna. After proving that the cop was indeed killed, **a serious of murders intertwine with a mysterious long-lost painting**, 'The Sleeping Nymph', painted with an unknown woman's blood.

BASED IN A WORLDWIDE BESTSELLER

MAMEN MAYO: AT HER WILL

Comedy / 8x30' / 2024

Mamen is a probate attorney dedicated to resolving fierce conflicts between families torn apart by inheritance disputes. For Mamen, her work is more than just a job; **it's a mission to restore family harmony** amid secrets, old rivalries, and divided loyalties.

With humor and heart, the series explores how love, ambition, and the weight of family legacy intertwine, revealing that behind every conflict, **there's always a chance for reconciliation.**

GOLDEN SWAN

Prague, March 1939. Bára takes on the role of a saleswoman at the prestigious 'Golden Swan' department store, concealing her true identity as a thief. **She falls in love with the rich owner, Petr Kučera,** but the match is so obviously unequal. Against the backdrop of the Nazi invasion, the 'Golden Swan' will become a stage for **countless intrigues** and hidden secrets.

**Period Drama / S1: 21x50', S2: 17x50',
S3: 18x50' / 2023 – 2024**

TONY

This four-part miniseries portrays the inspiring journey of **Tony Carreira**, from his **difficult childhood** in Portugal, marked by hunger and poverty, to his rise as one of the greatest ballad singers of the country.

Each episode explores key phases of his life, from emigrating to France to his **rise to worldwide stardom**.

Drama, Biopic / 4x50' / 2024

Drama / 6x50' / 2024

THE DAUGHTER

Inspired by a true story, this series depicts the **legal battle over the custody of Renata**, a 7-year-old adopted girl.

Heloísa gives away her baby after finding herself helpless to take care of her. Paulo denies being his father after that one-night stand, only to find out later **he is indeed Renata's father**. He claims custody despite her adoptive parents' wishes to keep her.

Young Adult Thriller / 6 seasons, 10x45' / 2023 -

SWEET STRAWBERRIES

Olivia, a girl from a humble family she takes care of, joins Barra Secondary school. There she befriends a couple of 'outsiders' like her and gets closer to **Miguel**, what turns Margarida, the high school's Queen Bee, **against her**.

After a victim of cyberbullying disappears, **a war breaks out at the school**, forcing students to take sides and unravel shocking secrets... **And Olivia must take part in it.**

NEW SEASONS COMING

EIGHTEEN

Cèlia and Mohammed meet while working at a restaurant. She must do **community service**, while he is working to **get the Spanish citizenship** and get out of the probation center he lives in.

They will discover a first love that endures the challenges of class, race and migration policies, all while Cèlia's troubled past threatens their relationship.

Teen Drama / 6x30' / 2024

LITTLE COINCIDENCES

Marta and Javier are heading to their midlife crisis. About to turn forty and single, they decide **it's time to find love and start a family**. And two ghostly visions of children — their future son and daughter — will come in the help. However, convincing Marta and Javier is not an easy task...

They will both pave the way to find the love of their lives, without noticing **they are actually made for each other**.

IBERIA & SAVANNAH: ONE WILDLIFE

Blue chip Wildlife / 1x52' / 2025 / 4K

There is a unique ecosystem in the world called 'Dehesa' in the Iberian Peninsula. Its landscape is very similar to one of the most spectacular and beautiful ecosystems in the world: the **African Savannah**. One is in Europe and the other in Africa but their similarity is striking:

Can two such distant landscapes function similarly? Do their animals lead similar lives? Following the upbringing of two cubs, an African leopard and an Iberian Lynx, to adulthood, along with other animals, we'll see **how alike the lives of these animals are.**

COURTOIS: THE RETURN OF THE NUMBER 1

Sports / 4x40' / 2024 / 4K

Thibaut Courtois, one of the **global top goalkeepers**, leads **Real Madrid** amid challenges. His pivotal role in Real Madrid's 2022 La Liga and Champions League victories garners widespread praise.

Now, recovering from an **injury**, Courtois, with support from teammates like **Luka Modric, Fede Valverde, or Rodrygo**, along with family and wife, showcases his determination. We reflect on his career and discuss the unique role of goalkeeping alongside other football legends.

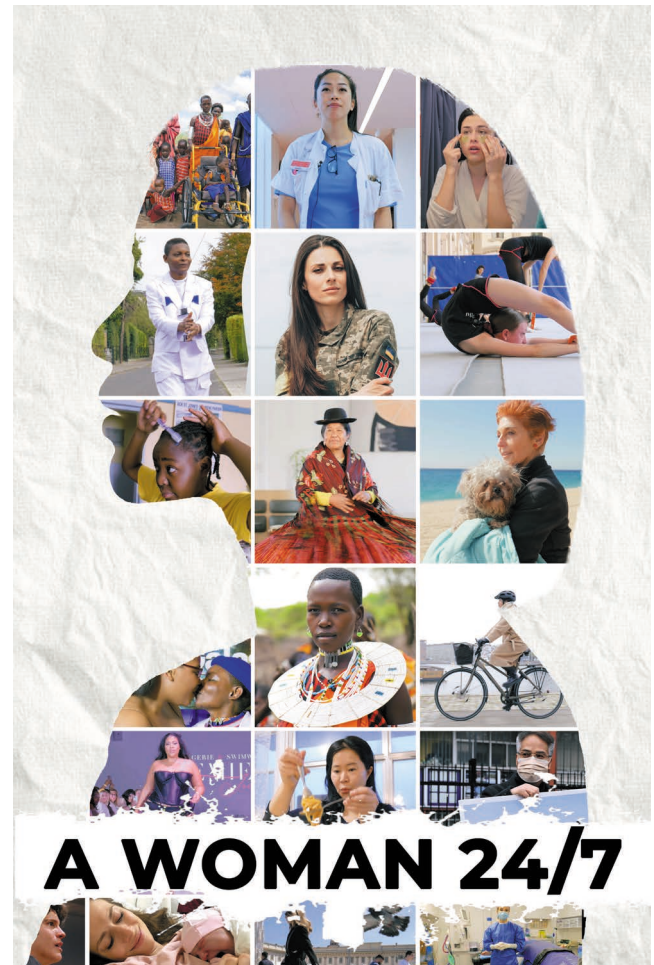

Courtois' journey epitomizes **resilience, leadership**, and the evolving significance of goalkeeping in the sport's history.

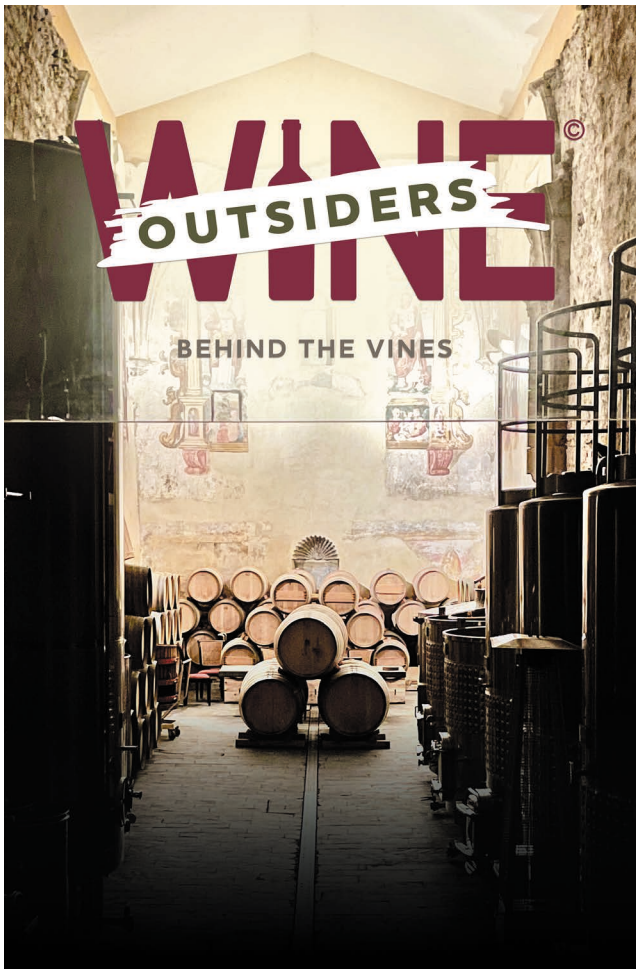

A WOMAN 24/7

Current Affairs / 7x50' / 2024 / 4K

24 hours, 7 episodes, 21 women from 12 countries.
By following their normal ordinary day we see the different worlds and culture from within with their eyes, breath in the foreign air with their lungs and feel their problems and dreams with their hearts.

Having a baby while there's a bombing, getting ready for a catwalk during Plus Size Fashion Week, doing splits when you are seventy-three, becoming a shaman after finishing medical school or creating a face yoga routine after a near fatal car accident, this documentary series witnesses how **women can do anything.**

WINE OUTSIDERS

Gastronomy / 5x45' / 2024 / 4K

A unique documentary series that takes viewers on an immersive journey through **Spain's most intriguing wine regions**, like Basque Country, Galicia, Ronda, La Rioja or Ávila.

We will explore alongside local guides & experts of the **art of winemaking** the traditional methods revived from the past and the most cutting-edge techniques. The series will also introduce us to every regional gastronomy, highlighting how local flavors and traditions complement the wines. It's a rich exploration on culture, winemaking & culinary art.

FROM VINYL TO AI: A HISTORY OF MODERN MUSIC

Follow the evolution on how society has evolved in the last 60 years through music and technology.

This travel through time showcases how the continuous transition between trends will force the humankind to **stay tuned to what's new**, or otherwise stick to the past.

**Music, Science and Technology /

PRIME TIME LEADER

THE WAY HOME

Emotainment / S1: 6x52' & S2: 6x52' / 2023-

The Way Home is a new entertainment format created by Albert Espinosa (creator of The Red Band Society, the series that made Spielberg cry) and broadcasted with great success in prime time television in Spain.

Albert interviews **celebrities** as they walk together along the road from the school they attended as children to their home.

During the journey, the interviewees will **remember their childhood**, meet family and friends, and relive anecdotes that will make them smile, get excited and above all, remember the best moments they had as children.

THE ANTHILL

50' Daily Talk Show / 19 seasons / 2006-

The Anthill is a **ground-breaking show** for all the family. Its original format is a dynamic blend of **humor and entertainment**, with the show giving its take on a whole range of subjects - **science, news, music, politics, even mistery and intrigue**.

Trancas and Barrancas are the stars of the show. They are two irreverent ants that ask the question that no host would dare to ask, they help explain the different question, they interrupt the host with **funny and ironic comments** as often as they wish...Their odd humor represents the hallmark of the Anthill.
